Get more than you desire...

At Lapcare, we stand committed -- single-mindedly -- to serve our customers.

Always working towards bringing in the most advanced technology of the world for you. Lapcare has pioneered in many segments of the IT industry from almost more than a decade now.

With a comprehensive range of products that cover everything from IT spares and accessories to an exhaustive range of travel solutions that give you complete freedom to move faster. Apart from the large range as on today, there are many more futuristic products that are in the pipeline.

The convenience enhanced by the international quality standard of Lapcare products that come with a warranty, to give you complete peace of mind. We provide 24X7 service to assist you in the best possible manner.

But above all, our priority always remains to give value for money to our customers through fair and honest pricing and a team of dedicated distribution network.

We are making a relentless effort to meet your expectations and challenging ourselves to reconnoiter the unexplored.

Features

- Compatible with computer and mobile
- Turn up/down the volume by line control

Specifications

Power output: 3W x 2.0 Multimedia
Speaker: 2" x 2
Frequency: 180Hz-20Khz
Voltage input: DC5V/1A
Size(mm): 152 x 83 x 95
Port: 3.5mm jack with USB port

Features:

- Cool 7 color LED light
- Light weight and tiny body
- Compatible with computer, Smart TV, Mobile phone

Specifications:

Material: ABS+475 Plastic
Product Size: 72(W)x82(D)x120(H)mm
RMS: 3Wx2
Input Power: DC 5V
Cable Length: 1.2 Meters
Port: 3.5mm jack with USB port

BAGPACKS

ELIPSO BAGPACKS

M.R.P. ₹2599

Presenting the new range of Backpacks from Lapcare. Made from extra heavy-duty EVA that is, durable and abrasion resistant, these are light weight and sturdy bags for your daily travelling needs. Engineered with ergonomically contoured and additionally thick back padding. In addition, adjustable shoulder padding provides carrying comfort for long hours. The breathable mesh lining adds to more air circulation and induces less sweating while on the shoulders. The roomy multi compartments and zipper pockets help you organise your stuff, making it extremely versatile and handy. Moreover, they come in multiple attractive designs and colour options to choose from.

Made from super high quality EVA

Breathable mesh lining for low sweating

Multiple colour and design options

Extra padding for carrying comfort

Extra heavy duty zippers for longer life

Presenting the new range of Backpacks from Lapcare. Made from extra heavy-duty EVA that is, durable and abrasion resistant, these are light weight and sturdy bags for your daily travelling needs. Engineered with ergonomically contoured and additionally thick back padding. In addition, adjustable shoulder padding provides carrying comfort for long hours. The breathable mesh lining adds to more air circulation and induces less sweating while on the shoulders. The roomy multi compartments and zipper pockets help you organise your stuff, making it extremely versatile and handy. Moreover, they come in multiple attractive designs and colour options to choose from.

FALCON BAGPACKS

M.R.P. ₹2599

Made from super high quality EVA

Breathable mesh lining for low sweating

Multiple colour and design options

Extra padding for carrying comfort

Extra heavy duty zippers for longer life

PERIPHERALS

SCREEN CLEANING KIT WITH SUCTION BALLOON

M.R.P. ₹505

Features:

- Free from alcohol, ammonia, vinegar
- Non-toxic, Non-streak, Non-solvent, Non-flammable

Specifications:

Product Dimensions(mm): 204 x 202 x 40

Item Weight: 190g

Spray

Fiber Cloth

Blow Nozzle

Suction Balloon

Anti Static Brush

Features:

- High HD quality 5-Glass lens
- Built-in Noise Isolating Microphone
- Automatic low-light correction
- Plug and Play, Hi-Speed USB 2.0
- Tripod-ready universal clip fits laptops and LCD monitors

Specifications:

Calling: HD 720p video calling (up to 1280x720 pixels)

Recording: HD 720p video recording (up to 1280x720 pixels)

Color: Black Item

Product Dimension(mm): 65x85mm

DESKTOP HIGH PERFORMANCE RAM

M.R.P. ₹9599

Features

- Most Durable Product
- Suitable for all models of laptops and system
- Easy To Use

Specifications

Featured Chips
Super Compatibility
Boost Performance
Energy saving (1.5 Low Voltage)
Item Weight: 300 g

Available in: DDR 2 / DDR 3 / DDR 4

Capacity Available in: 2 GB to 32 GB

ABOUT LAPCARE

- Premium Quality Memory
- Compatible with All Motherboards
- Quality conforming to international standards.
- 100% Tested
- Limited Life time Warranty
- Excellent Local Warranty Support
- Excellent after sales support
- Unmatched technical assistance.
- Trusted brand in IT products for more than a decade.

Available in: DDR 2 / DDR 3 / DDR 4

Capacity Available in: 2 GB to 32 GB

USB 3.0

Features:

- USB 3.0 to SATAIII bridging solution
- 5 GBPS speed provide high speed transmission of files and data
- Quick approx. 3 Seconds Installation with slide disassembly design & no screws installation
- Easily connects your 2.5 Inch Laptop SATA HDD/SSD Hard Drive to PC, Laptop, PS4, Xbox for data transfer or expanding storage.
- Supports max. 4TB
- Supports Windows / Linux / Mac OS
- High quality clear polycarbonate transparent material to easily identify the hard drive inside the case.

Features

- USB 3.1 Gen 2 Type-C port, supports upto 10 GBPS data transfer speed.
- Supports PCIe NVMe Standard M.2 SSD with sizes of 2230/2242/2260/2280 mm upto 2TB
- Aluminium alloy durable shell & easy to carry slim design
- Excellent heat dissipation
- Supports Window / Mac / Linux.
- Plug and play your PC, smart phone, notebook computer, Smart TV, Smart router, PS4 and other devices.
- Compatible with 2280/2260/2242/2230 M Key/ B+M Key PCIe SSD upto 2TB such as Samsung 970 EVO Plus/ 970 EVO/970 Pro/960 EVO, etc.

COMBO NUMERIC LOCK

KEY LOCK ACCESSORIES | **LCL-9292**

HOW TO RESET YOUR COMBINATION CABLE LOCK

- Turn the dials to the default combination 0-0-0-0.
- Turn the reset button 90 degrees clockwise with small flathead screwdriver, or similar.
- Turn the dials to set the desired combination.
- Turn the reset button 90 degrees counterclockwise back to its original position.
- Your lock can now be opened using the combination you just set.

LOCKING YOUR NOTEBOOK COMPUTER

- Turn the dials, to the correct combination.
- Press and hold the release button, then insert the locking hook into the locking slot of your Notebook.
- Release the button and scramble the dials.

TO INSTALL

Option 1: Secure the cable on a table leg, or the like.

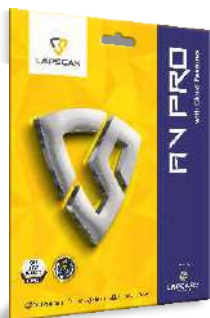

Option 2: Stick the security plate on a secured object and secure the cable through the hole of the plate.

USING THE FOAM SPACER

The foam spacer is to fit different laptops by being pasted on the lock head.

DO YOU KNOW?

Using an ordinary laptop battery or adapter may cause serious hazards

Under this plan when you buy Lapcare laptop battery, adapter or car power inverter, apart from getting the assigned warranty on the product, even your laptop or the connected equipment gets insured* for any mal-functioning or damage occurring due to usage of any of these products.
